

Sir Duke

(B)

1. Music is a world within itself With a language we all understand
With an equal opportunity For all to sing and dance and clap their hands.
But just because a record has a groove, Don't make it in the groove.
But you can tell right away at letter A When the people start to move.

CHORUS

They can feel it all over; They can feel it all over people
They can feel it all over; They can feel it all over people, go.

2. Music knows it is and always will Be one of the things that life just won't quit.
But here are some of music's pioneers That time will not allow us to forget, no.
For there's Basie, Miller, Satchamo, And the king of all, Sir Duke;
And with a voice like Ella's ringing out, no way the band can lose.

CHORUS

You can feel it all over; You can feel it all over, people. [2X]

We can feel it all over; we can feel it all over, people. [2X]
