

Shower the People

James Taylor (F)

1. You can play the game, you can act out the part, But you know it wasn't written for you.
Tell me, how can you stand there with your broken heart Ashamed of playing the fool?
One thing can lead to another; It doesn't take any sacrifice.
Oh, father and mother, and sister and brother...If it feels nice, don't think twice. Just

HALF CHORUS

Shower the people you love with love; Show them the way that you feel;
Things are gonna be much better If you only will.

2. You can run but you cannot hide; This is widely known.
What you plan to do with your fool's pride When you're all by yourself alone/
Once you tell somebody the way that you feel, You can feel it beginning to ease.

CHORUS

Why don't you shower the people you love with love; Show them the way that you feel;
Things are gonna turn out right If you only will. (Just think about the beauty of it.)
Shower the people you love with love; Show them the way that you feel;
Things are gonna be much better If you only will.

[Instrumental vamp]

Shower the people you love with love; Show them the way that you feel. [5 times]
You'll feel better if you do.
