

# You've Got a Friend

Carole King (F)

1. When you're down and troubled and you need some love and care  
and nothing...nothing is going right,  
Close you eyes and think of me and soon I will be there  
To brighten up even your darkest night.

*CHORUS*

You just call out my name and you know, wherever I am,  
I'll come runnin' to see you again.  
Winter, spring, summer, or fall, all you've got to do is call  
And I'll be there. Yes, you've got a friend.  
(Yes, you've got a friend; you've got a friend in me.)

2. If the sky above you should turn dark and fill with clouds  
And that old north wind should begin to blow,  
Keep your head together and call my name out loud  
And soon I'll be there knockin' upon your door.

*CHORUS*

You just call out my name and you know, wherever I am,  
I'll come runnin' to see you again.  
Winter, spring, summer, or fall, all you've got to do is call  
And I'll be there.

*BRIDGE*

Hey. Ain't it good to know that you've got a friend when people can be so cold?  
They'll hurt you; they'll desert you; they'll take your soul if you let them,  
But you don't have to let them.

*CHORUS*

'Cause you can call out my name and you know, wherever I am,  
(Call out my name. Know wherever I am)  
I'll come runnin' (runnin' runnin' runnin') runnin' just to see you again.  
Winter, spring, summer, or fall, all you gotta do is call  
And I'll be there, yes, you've got a friend (yes, you've got a friend)  
Now, ain't that good to know (yes, you've got a friend)  
You can count on me (yes, you've got a friend)  
I am your friend (you've got a friend).
